MARS HILL HIGH

Foreword

As we terminate our exploration of Mars Hill High, we, as seniors, have probed into our studies and collected data of our discoveries as we have made our daily and yearly orbit of the campus. From this data we have compiled into THE WILDCAT the story of our high school life. We recall the constant t r u d g e to classes, which some of us enjoyed. . . the long hours of practice of our football, basketball, and baseball teams, which met both victory and defeat. . . the ecstasy of our Junior-Senior. . . the ordering of rings and invitations. . . the s e n i o r trip. . . the excitement of the senior play. . . the anticipation of graduation and the realization that our dream is coming true sooner than we expected. We hope these glimpses of the invigorating atmosphere of leadership, learning, and leisure enjoyed at Mars Hill will always bring back fond memories of our high school days.

"BAILEY ECHOES"

The days of waiting are over and our secrets are revealed. Now you know to whom the 1959 WILDCAT was dedicated, the theme, the cover design, and the other secrets of this annual. The hours of work were long; yet, the work was made enjoyable by our desire to make this annual a lasting reminder of your joys and sorrows at Mars Hill. We hope we have reached our goal, and this annual will recall happy memories as you thumb through its pages.

Bailey Echoes' staff records campus atmosphere

The staff of "Bailey Echoes" has the privilege of providing a newspaper with information about our school life. Through its coverage of athletics, activties of various clubs and organizations, recognition of outstanding students, grade news, and other highlights, the newspaper provides an accurate reflection of the life of Mars Hill School. The students who work on the newspaper gain valuable experience in journalistic work.

Left to Right: Judy Elam, Editor-in-Chief; Jean Randolph, Associate Editor; Mrs. Wood, Sponsor; Geneva Wyatt, Associate Editor.

Members of the library staff are girls who volunteer to work during one hour of each day. Their responsibilities include such things as circulating books, locating books in the shelves, helping students to find books and reference material, and keeping the library in order. Without their assistance students would waste much time in fruitless search and many books would be lost. The assistants enjoy their work and feel that their training may be of value to them in college.

The members of the office staff combine fun with honest-to-goodness work. Each girl works in the office one period daily. Besides answering the telephone, looking up records, and typing, they must entertain visitors who are waiting to see the principal. Since this energetic group makes the office routine run more smoothly, they deserve the gratitude of Mr. Neill and the student body.

This organization strives to promote student democracy and harmony on our campus. The Council is made up of homeroom representatives and the President and Vice-President from the senior class. In each homeroom the representatives point out ways of improving school morale and working better with the teachers.

Band promotes school spirit

The Mars Hill Band under the direction of Mr. John Lackey has had a very successful year. The members of the band have backed the football team by performing at all the home games and at Old Fort. They have delighted spectators with their various half-time formations and their musical programs. Our school is always represented in parades in Mars Hill and other cities. When the marching season is over, the band begins its concert programs. It gives spring concerts, not only in our school, but also in neighboring schools.

To Mr. Lackey, we give the credit for the band's artistic performances, the new and better instruments, and the funds for new band uniforms. We appreciate his effort to make Mars Hill Band "Tops."

Through the 4-H Club many opportunities in homemaking and agriculture are offered to high school students who are interested in rural development. Each member is required to complete one project during the year. The discussion and planning of various projects are part of the program for each monthly meeting. A challenge is given to every 4-H Club member in the club motto, "To make the best better."

Wildcat gridders have successful year

The Mars Hill football team made an excellent record for the 1958 season. In a total of ten games, they won seven, lost only two, and tied one. They were considered one of the best teams in Mars Hill High's history.

Most of their victories were won by wide margins. They climaxed the season with a 19-0 victory over their arch rival—Marshall.

At the close of the season Gay Greene and Dave Ball were awarded All-Conference honors.

The '59 girls' team had an excellent season with nineteen wins and only one loss. Led by the following five seniors: Jo Whitt, Louella Ponder, Barbara Metcalf, Gladys Ponder and Genell Griffin; and Brenda Ponder, a hustling junior, the Mars Hill team won almost all games by wide margins and lost one game by only two points.

By defeating Marshall in the finals of the county tournament and by winning first place in the Skyline A Conference, the team proved their athletic ability and their good sportsmanship.

Four girls were chosen as members of the All-Tournament team. They were Jo Whitt, Brenda Ponder, Barbara Metcalf, and Gladys Ponder. Barbara Metcalf was chosen as the Most-Outstanding Girl player in the county and received a beautiful trophy.

The strong J. V. girls' team defeated Marshall in the finals of the J. V. Tournament and showed that next year's team will be a strong one.

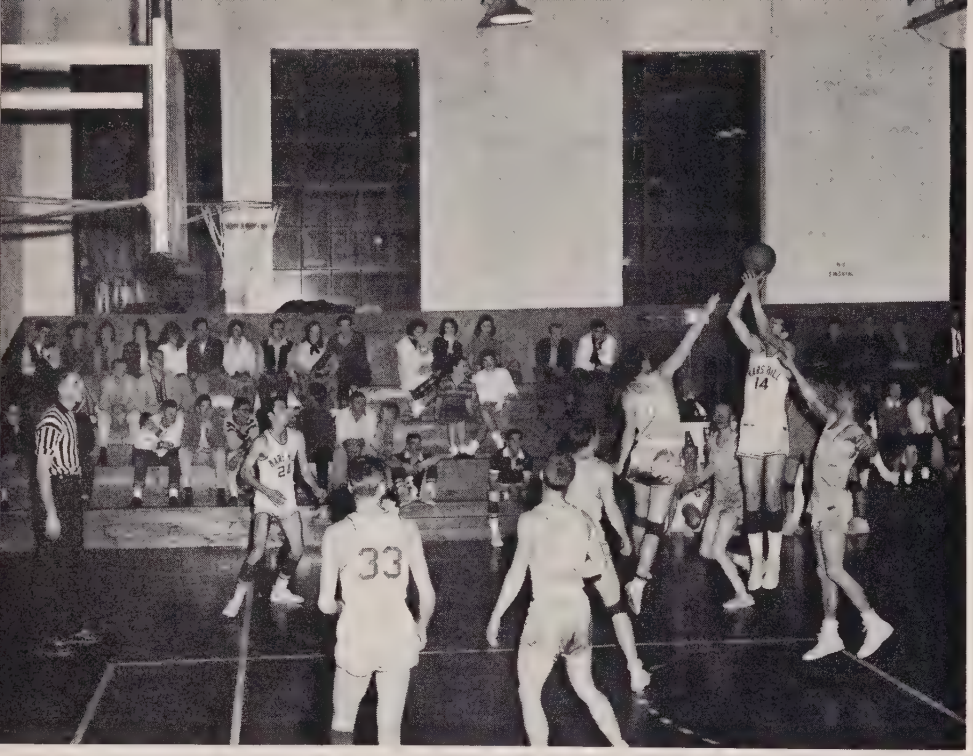
The football boys elected cheerleaders at the beginning of the football season. These girls support the team wholeheartedly at the games. They cheer the boys on whether they are winning or losing. They not only support their team by cheering, but by arranging new decorations each week for their team and the visitors. They work especially hard during Homecoming week on their cheers and extra decorations, including a huge wildcat for the boys to run through. To these girls; the team, coaches, and students owe their thanks for their contributions to the football games.



Easy does it, Jack!

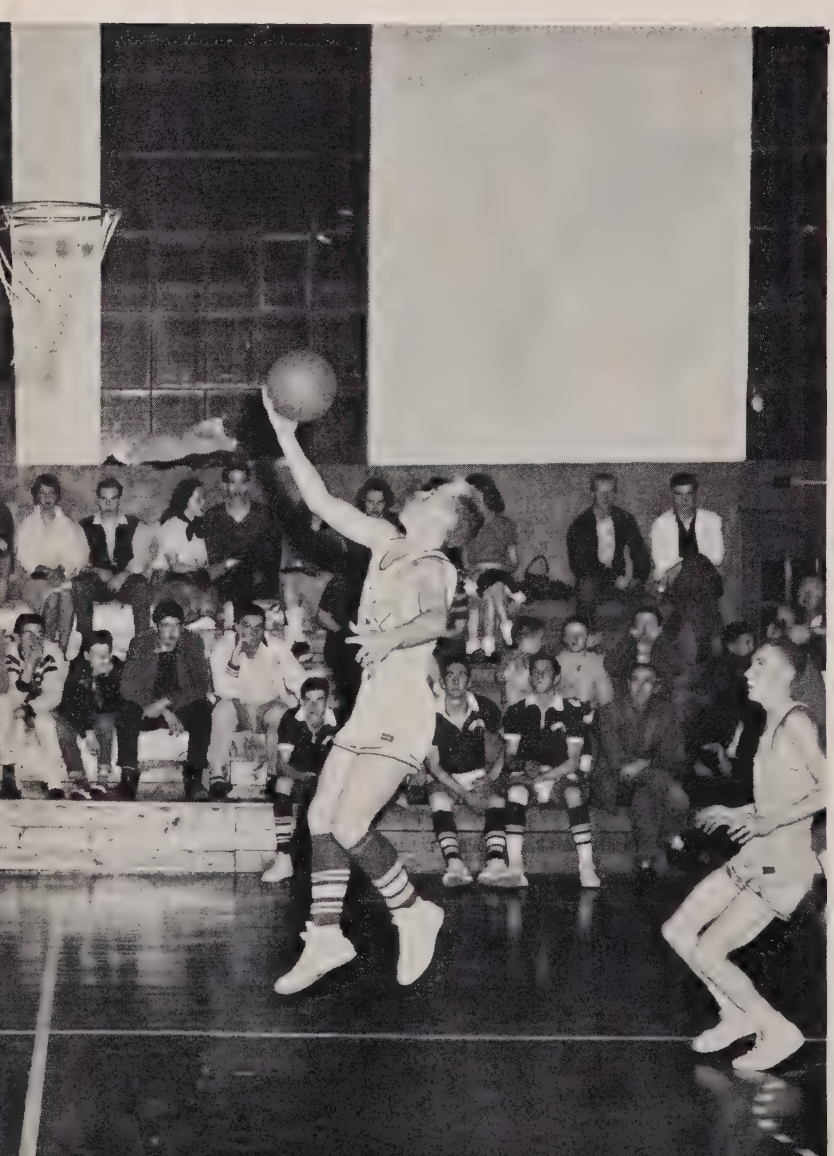
Fast breaking... 2 points!



The 1959 boys' basketball team was led by these outstanding seniors: Jackie Keith, Jack Whitt, and Leonard Edwards. In a total of 20 games they had 14 victories. This record was made possible despite the loss of one of the best players, J. D. Thomason, who received a serious knee injury at the beginning of the season.

Next year's team should perform very well as several excellent players will be back.

In the Madison County Tournament, Mars Hill bowed to Walnut by only one point. Although they only carried away the runner-up trophy, we are proud of the excellent sportsmanship, co-operation, and ability displayed by our team.

Doyle Wheeler, Jackie Whitt, and J. P. Robinson were chosen as members of the All-Tournament team. Jackie Whitt received the trophy for Most-Outstanding Boy player in the county.

Wildcats hustle on the diamond

The 1958 Wildcats performed well under the guidance of Coaches Peek and Bennett. As the season progressed, the team's style and stamina increased as they experienced both glory and defeat.

The '59 team will miss the effective fielding of Dedrick Cody, Martin Fox, and Howell Smith; however, we eagerly await the coming season which promises to be one of the greatest.
